Titulo: The taming of the shrew

Autor: William Shakespeare

Editorial: Penguin

ISBN: 9781853260797,00

The Taming of the Shrew is one of the most famous and controversial of Shakespeare's comedies. The central relationship, in which Petruchio boisterously 'tames' a rebellious Kate, has often appeared problematic. In the theatre, it has been treated in a diversity of ways, so that Kate's apparent capitulation varies between the ironic and the sincere. Feminists have been divided in their responses.
